BIS Core Values

A core value is a central belief shared by every member of our community. At BIS we believe in self-discipline, respect and commitment.

By **self-discipline** we:

- Take responsibility for our own actions.
- Have strong self esteem and high personal expectations.
- Think before we act.

By **respect** we:

- Value all members of the school community.
- Display good manners and follow school rules.
- Are tolerant of others with different points of view and beliefs.

By **commitment** we:

- Accept the responsibility to work hard and persevere.
- Are dedicated to grow academically and develop our full potential.
- Are loyal to our school and community.

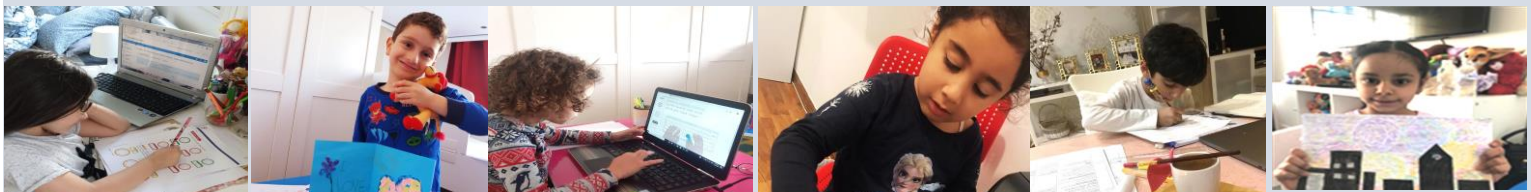

We are so incredibly proud of the resilience you have shown over the last weeks

During this period of campus closure, all students are spending lots of time in front of a screen. In their break time, try to put their electronic devices away and find other fun and relaxing things to do.

Here are some pictures of our students' activities from this week
