## MS & HS Semester Exams

This is to remind all parents that semester exams for MS & HS students begin on Sunday, 19 January 2020 through Thursday, 23 January 2020 at 8:00 am. All students should be in proper uniform and on campus by 7:30 am in order to ensure that they are organized and prepared for their exams. Please note that late students will not be admitted to exams. All students have had ample time to prepare exams, and exams have been scheduled to avoid putting under pressure on students - 1 exam per day. We encourage all students to use their study time wisely, and to contact teachers when difficulties are encountered. We know that students have been prepared and focused on studying for the exams, and wish them the very best results! Click [here](#) to view the exam schedule and expectations for your review.
