Race day is Saturday, November 23rd. click [here](#) to know how you can join us. We are looking forward to seeing everyone on race day.

MAP Assessment

We are proud of our students for their approach and commitment to the MAP Assessment process. The last day of MAP Assessment is October 10. The results will be available once analyzed and it will allow teachers to tailor their teaching to the needs of the students.

Fire Drill at BIS

The safety of your child and all children in our school as well as the safety of the school staff is very important to us. In order to maintain a safe environment for our children to study and learn, it is necessary that we practice our emergency and crisis response plans by having drills designed to exercise our procedures. The school will conduct a “fire drill” this month. We want each student to understand and be aware of the importance of this drill and not be afraid when the fire alarm is sounded. By practicing, they will know what to do and how to do it.

Grade 6 Activities

Grade 6 Students are using technology to bolster their understanding of Greatest Common Factors (GCF).

KG 1 “Learning about Colors”
