Principal's Message

We welcome you to our Parent / Teacher Interviews next week. Our teachers are eager to invest time to speak with all of you about your child's progress thus far at BIS. Progress Reports provide parents and teachers a snap-shot of how students are progressing. A strong parent / teacher relationship with open communication is important in the support of the academic and social growth of your child. These interviews give both the school and parent an opportunity to build on this relationship. Of course, we are always open and available to communication from parents regarding their child's progress and welcome any and all concerns. The teacher is, as always, the best place to start this process.

Thank you very much to parents and students for coming out to the Pick-Up Parades. We certainly enjoy seeing both parents and students. Teachers are always excited to have an opportunity to connect with their students and continue to monitor their academic progress with the materials that are presented. Thank you to parents for investing time in decorating your vehicles in pink during our last Pic-Up Parade. The school was very impressed with everyone for "Pinking-Out".

The PTA is an important cornerstone at BIS and we welcome any parent who is interested in supporting the school and getting involved with the PTA. The PTA will be conducting a membership drive in the near future and we would encourage parents to get involved.

There will be a Principal drop in on Sunday, November 8, 2020 from 5:00 pm to 6:00 pm. I will be available should any parent just simply want to chat: **Drop-In Zoom Link**

As you are aware, BIS is currently in the final stages of obtaining international accreditation through the Council of International Schools (CIS). The leadership team, teachers, and staff of BIS are interested in what you think about our school. Please take a moment to complete the CIS Community Survey, which will help identify the strengths of the school and areas for improvement.

The survey will take approximately (10) minutes to complete. You should complete one survey per child enrolled in the school. We hope you can spare some time to help the school in its desire to improve. The survey will be available until November 19, 2020.

To access the survey, please click on this link: Survey Link
If you have any questions or need support, please contact kges@bis.edu.kw. Thank you very much for completing the survey.
