KG/ES WEEKLY NEWSLETTER

8 April 2021

2020-2021 Issue 30

Hi KG/ES Families,

Thank you so much for making the first week with our new schedule a success. We continue to be amazed by your flexibility and persistence as we move through the 2020-2021 school year. We are especially proud of our KG team and families as they made the big switch from two groups of 9 to one group of 18 in a Zoom class. It is great to finally have the whole class together and we believe this will support students in building friendships with their grade level. In Elementary, students continue to build independence and are growing as learners. A special shout out to Grade 5 teachers and students, who are finishing up an inquiry, project-based unit on pollution. We can't wait to hear their presentations and see how the unit will have an impact on protecting Kuwait's environment.
Remember to thank your teachers and show some appreciation for all they have done to create a positive environment for your children. We only have a few months left to go, so stay strong and focused!
