Principal's Message

I wanted to highlight once again the exceptional work that students are completing during the E-Learning process. Students have been very well engaged in their work and have produced work that teachers are assessing. We are very proud of your child and will be soon recognizing their accomplishments with a Student of the Month Award. Of course, it takes great preparation and coordination from our teachers and in that; we will be celebrating their accomplishments as well at BIS. As I have written to you before, I am proud to serve you as Principal and look forward to meeting all of you in due time.

KG2

We are very proud of our teachers who have invested the time to learn how to best support your child with the E-Learning program. We are all looking forward to the day when we can all be on campus together. We will highlight the rest of our teachers in the coming weeks.
