Principal's Message

We are highlighting our Grade (4) and Grade (5) Teachers this week. Moreover; we cannot thank everyone enough again for the support and guidance as we navigate E-Learning together. We had our first PTA meeting last week and met the PTA representatives. This is a very professional group with access to the Administration and I encourage parents to reach out to them if you have any suggestions. I know the PTA had a lot of great ideas planned for this year, yet COVID stands in the way of their efforts. Your child's Social and Emotional Learning (SEL) is also important to all of us at BIS, so we encourage you to reach out to your child's teacher should you have any concerns. Ms. Andrea, our counselor, is also available to support your child. At present, Ms. Andrea is teaching our Protech-Ed curriculum to support this area.
