2021-2022 Issue 15

Principal Message

Thank-you to the parents who attended the Parent Diwaniya which had a presentation by the ABC Kuwait. A number of parents and staff attended to hear and learn more about ABA - Applied Behavior Analysis. I found it interesting to know that ABA is an effective tool not just for students with unique circumstances, but even for adults. We experience this in a number of situations, for example getting a reward faster - by going to a nearby Starbucks rather than one farther away. I also found it interesting to hear about the positive benefits of inclusion.

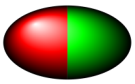

We now have only two weeks until the Winter Break. Next week is International Week. If you have not already received information from your child(ren)'s teachers, you should get information shortly. And plans are underway for some fun activities for students during Spirit Week, the last week before the Winter Holiday.

Yours in Learning,

Mr. Sven
