KG/ES WEEKLY NEWSLETTER

28 January 2021

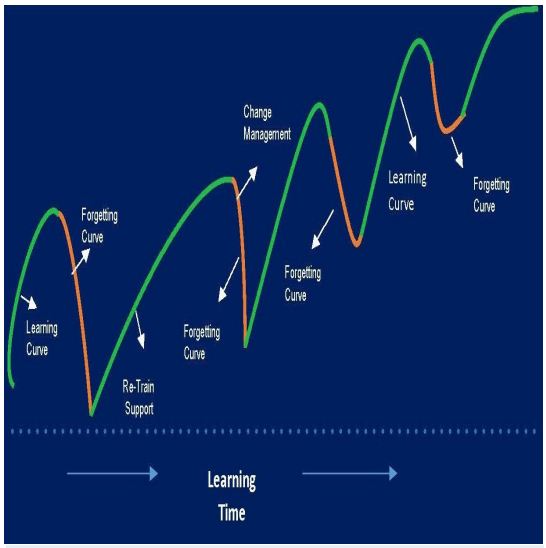

2020-2021 Issue 21

Principal Message

We are very pleased to have a number of families signed-up for our KG1 openings for 2021-2022. We are fortunate to have the support and guidance of the PTA and all parents with regards to communicating to the general public and friends the family like atmosphere of the BIS community. We pride ourselves on being a small school that focuses on personalized learning and expect a high level of professionalism from all staff in this regard. It is this dedication to detail and kindness that permeates out into the community and invites other families to join our school community. We are, as always, very grateful to all of the parents for their on-going support in building the best inclusive school in Kuwait.

I look forward, as always, to the upcoming March parent—teacher conferences. These are the best times to strengthen our relationships with all of you and support students' growth. Please do take time to engage with teachers in this regard, as they enjoy this process immensely. Ms. Catie and I are available as well and welcome any and all conversations with parents regarding their child's social and academic progress at BIS. We are, like our entire staff, here to serve you and your child's aspiration to succeed.

Kindly read attached a letter from Assistant Principal, Ms. Catie & Principal, Mr. Todd
