KG/ES WEEKLY NEWSLETTER

10 March 2021

2020-2021 Issue 27

Assistant Principal Message

Dear BIS Families,

It's hard to believe it's already March, and we are nearing the end of the 3rd quarter! I am so grateful to the BIS community for their continued commitment to our students' growth and well-being. A special shout-out to BIS staff, who have remained dedicated to professional growth in order to provide your child/ren with the best possible learning environment and care. I am proud of BIS students for modeling BIS' Good Habits and Common Expectations: Empathy, Respect, Self-Discipline, Thinking Flexibly, Striving for Accuracy, and Persisting. Included this newsletter is two infographics that give simple ways to practice self care and well-being for both parents and students. I encourage you to prioritize this as we move forward.

On another note, you will receive detailed information regarding Spring Parent Teacher Conferences early next week. Conferences are a time to collaborate with your child's teachers, celebrate successes, and discuss ways to encourage continued growth and progress. Elementary families, please check PowerSchool to ensure your child has completed their assignments and feel free to contact your child's teacher should you want to discuss specific topics during the conference.
