KG/ES WEEKLY NEWSLETTER

25 March 2021

2020-2021 Issue 29

Principal Message

Dear BIS Families,

On behalf of the entire KG/ES staff I want to wish you all a most relaxing holiday with family and friends. The next week will be a great time to put away any and all electronic devices and invest time playing board games, going for walks or a family adventure around Kuwait. I know that teachers will be relaxing with a variety of activities to recharge their batteries to return to school on April 5th. We will be having a Professional Development Day on Sunday April 4th to continue to support teachers in their professionalism. As always – we have a very supportive and energetic staff who enjoy sharing their success with each other. Professional Development is the key to ensure that staff remain current with the latest teaching techniques and ideas. We also have also had a variety of wellness activities over this year for teachers. Wellness is important for all of us and I hope that you take time to engage in family wellness over this holiday. We will look forward to seeing your children back on Zoom in Google Classrooms on Monday April 5th.

April Material Pick-Up
