2020-2021 Issue 34

Grade 1 Highlights

Grade one has done an amazing job adapting to online learning. We are thankful for the parents' flexibility and support during the 2020-2021 school year. Students have grown and cultivated online relationships via video autobiographies, community, and homeroom interactions. Students have shown mastery of many Grade one skills via Nearpod, IXL, and Raz- Kidz. In English, we have mastered writing descriptive, informative, and non-fiction writing. We've learned new sounds such as digraphs and blends. As well as, more sight words to help up with our reading and writing. In Math, we have mastered the relationship between addition and subtraction strategies. In Science, we learned all about plants, animals, and our environment. In Social Studies, we have learned all about cultures and traditions from all over the world.

Farewell to our Principal, Todd Gribbon

We wanted to take a moment to inform you that Mr. Todd Gribbon will be departing BIS at the end of this year. Mr. Todd served as the KG/ES Principal for SY 20-21. We are thankful for his leadership and sad to see him depart. We wish nothing but success and enjoyment as he returns back to Canada to be with his family. We have already identified a new principal for SY 21-22 and we will be sharing that information in coming newsletters.
