KG/ES WEEKLY NEWSLETTER

25 November 2021

2021-2022 Issue 14

Principal Message

Firstly, I'd like to send a sincere and appreciative ***Thank-you*** *to the* ***BIS PTA*** *for organizing, planning and hosting the* ***BIS PTA Masquerade Day****! There was so much joy and fun for everyone! I'm already looking forward to next year's event!*

Have you had a conversation with your child(ren) about setting quarter 2 goals? Even young students can learn to set goals. For the youngest learners, goals can start small and might not be academic in nature. A sample KG personal goal might be: by the end of quarter 2, I will learn to tie my shoe laces.

Most often though we consider academic goals in school. Consider: by the end of quarter 2 I will know the difference between upper and lower case letters. For older students, their goal might be: by the end of quarter 2, I will write a paragraph that has a topic sentence, 2 or 3 details, and a summary sentence. Older students might also have more than one goal, perhaps having a goal in 2 or more core subjects. At home, parents could ask from time to time how students are progressing on their goal(s).

Speaking of conversation starters, have you asked your child(ren) what country their class is learning more about for International Week?

Yours in Learning,

Mr. Sven
