KG & ES WEEKLY NEWSLETTER

17 September 2020

2020-2021 Issue 4

Principal's Message

I wanted to reach out this week to thank all of our staff for their resounding commitment to E-Learning. There is an enormous amount of pre-planning to orchestrate to ensure that the curriculum is presented in a manner that students can understand. Also, I wanted to thank parents for their flexibility and understanding as we come to know and understand how best to support students with E-Learning. Finally, and most importantly, I wanted to thank students for their efforts in adapting to the E-Leaning environment. Students, you have been very committed and wanting to learn in this new way – Bravo. Together – being understanding, patient, caring and committed, we will collectively harness the potential for E-Learning and achieve success.
