MS/HS WEEKLY NEWSLETTER

2 December 2021

2021-2022 Issue 15

Assistant Principal Message:

Happy December! For my last assistant principal newsletter message of 2021, I'd like to begin by wishing you and your family a joyous holiday season and a happy new year. Have a safe and restful break, and see you in 2022!

Although December is a shortened month, there are still important announcements to share. First, December's theme for Student of the Month is self-discipline. We're encouraging students to take responsibility for their actions, set high expectations for themselves, and think carefully before acting. Students that practice self-discipline will be recognized for their efforts and may be awarded Student of the Month for demonstrating exemplary behavior. Thank you for collaborating with us and acknowledging the importance of character building within our middle and high school students.

Second, MS/HS midterm exams will be administered from January 16th to January 20th. It's important that students begin preparing early in order to do their best. Please continue to encourage your students to maintain good study habits, manage their time wisely, and stay organized between now and then. Your support is instrumental to their success and finishing semester one with great pride!

Third, the middle and high school team is currently reviewing semester one attendance data and meeting with students that have excessive unexcused tardies and/or absences. It's critical that students attend their classes on time each and every school day, give their best effort, and arrive on time to maximize their learning potential. Should you have any concerns about your child's attendance, please contact us at your convenience.

Let's make it a great week!
Mr. Rob.
