MS/HS WEEKLY NEWSLETTER

30 September 2021

2021-2022 Issue 6

Principal Message:

We were happy and excited to see the return of our students this week. I love hearing the sound of students on our campus. On Thursday, we welcomed our entire MS/HS student population, and the staff was ready. We do not have 100% vaccination rates in our school, and we are still required to follow the ministry guidelines to keep everyone safe and keep school open. Please continue to encourage your students to look at the positive side of being able to be together. We want to be able to continue to have in-person learning!

Also, we have been given permission to start having PE classes! Beginning Sunday, students will go with PE teachers to learn about safety in PE. They will learn about remaining socially distant and the health regulations about sanitizing equipment and changing. Please order their PE uniforms. It is best to order two uniforms, so that they always have a clean one. We will be looking into more class rotation in the upcoming weeks.

It takes all of us to make BIS a great school, and we appreciate your support.

Thank you,

Community Health:

At BIS we take the safety and care of your children seriously. We expect all visitors, staff, and students to practice good safety protocols including mask wearing, social distancing, and frequent hand washing/sanitizing.

Please do your best to help us keep all of our students and staff safe by completing the **MyMedBot application** and keeping students home if they exhibit symptoms that could be COVID. Please ensure you have communicated underlying medical conditions with the school nurse ***The most common symptoms include:***

- ⇒ *Fever*
- ⇒ *Cough*
- ⇒ *Shortness of breath or difficulty breathing*
- ⇒ *Loss of taste or smell*
- ⇒ *Fatigue*
- ⇒ *Sore throat*
- ⇒ *Headache*
- ⇒ *Diarrhea*

MyMedBot

If you or your child has any of these symptoms we ask you to notify your health care provider and our school nurse, and safely quarantine. Your provider should provide you information about testing and care, including at home quarantine. **Importantly, do not come to school. To keep everyone safe, it takes all of us. Thank you for supporting our community health initiative.**
