2021-2022 Issue 19

Assist. Principal Message:

Dear BIS Community,

I trust that you had a safe and relaxing winter break and enjoyed your New Years celebration with friends and family members. I had the pleasure of staying in Kuwait over the holidays and explored some of the best attractions Kuwait City has to offer.

As a friendly reminder, the upcoming midterm exams will be administered from January 19th - January 24th, with make-up exams occurring on January 25th. In addition to maintaining excellent study habits and making healthy choices, it's important that we have outstanding student attendance during the exam week. Please be on time and present for all exams, and be sure to follow our safety protocols, including: hand-washing, social distancing, completing the MedBot application, and wearing masks properly. Study hard and good luck on your tests!

Semester one report cards are currently scheduled to be published to Power School on February 1st. As semester two approaches, Ms. Lorraine and I will be scheduling class meetings and encouraging students to give their best effort and continue following our school wide expectations and habits. I'm looking forward to seeing students set goals, improve their grades, and make progress on standardized tests (i.e. MAP) in semester two. Let's make it a great and safe second semester!

Mr. Rob
