MS/HS WEEKLY NEWSLETTER

2021-2022 Issue 18

Principal Message:

Welcome Back! I hope you had the opportunity to spend some quality time with your friends and family during the our winter break. I was lucky enough to get to be with my family in Washington State where we had a fun snow filled holiday.

As we wrap up our first semester of the school year, counselors have been working with students and parents on how to prepare for semester exams. If you didn't get to see their presentations on how parents can support their students, you can see those presentations on our Schoology page. Most importantly, you can help your students by helping them get to bed on time and eating a healthy breakfast/lunch before their exams.

Please remember as we return to in-person learning that students must have appropriate face masks at all times. We want to be able to stay face-to-face and on campus, and that means taking safety protocols seriously. Continue to fill out the MedBot application daily, sanitize and wash your hands frequently, and maintain social distancing. These safety protocols will help us stay in person and on campus.
