MS/HS WEEKLY NEWSLETTER

11 November 2021

2021-2022 Issue 12

Principal Message:

Thank you for making our first quarter of the 21-22 school year a success. Thank you also for participating in our parent conferences. Our parents are a critical part to our success, and we truly enjoy partnering with you.

Second quarter is the last quarter of the semester. For high school students this second quarter is incredibly important because they will earn their high school credits at the end of the semester. The first semester will end on January 20th.

We are excited to begin having our after school activities this month. Mr. Ali has included some information about our after school activities in this newsletter, and I am very excited to be offering students the chance to have academic support as well as social engagement. I hope all of you will find something to participate in.

Finally, we are happy to offer you the opportunity as families to participate in the PTA sponsored Spooky Night at Qortuba Garden on Saturday November 13 – 4:00 pm – 6:00 pm. Our PTA has been a great support for us, and your membership in PTA helps us provide for student activities and support our classrooms.

MyMedBot - Important Updates:

We have made changes to MyMedBot, making it easier for parents/families to fill in and submit for their child(ren).

MyMedBot will ask parents to say if their child(ren) are attending school or not. MyMedBot now also includes a link to the Student Sick Leave Form for easy access. All students must have MyMedBot submitted for them daily before entering school. As of Sunday October 31, students who do not have MyMedBot completed will not be allowed on campus.

Healthy snack:

Please pack healthy options for student lunches.

Remember, no peanut products or energy drinks. For some ideas use

Important Notes from school nurse:

Dear MS/HS parents ,

If there is any kind of illness with your son/daughter. You need to inform the school nurse and nurse is the one will decide to bring a sick note or a PCR test result.

COVID Vaccination :

BIS Students who get the vaccine, please email the school nurse on felsy.robert@bis.edu.kw or heba.abouharb@bis.edu.kw

Send the vaccine note for confirmation.

Dates to Remember & Important Notes:

Check the announcements and schedules in Schoology and PS.

REMOTE LEARNING Days and early release on Tues., 16 Nov. at 11:40 AM. Zoom schedule sent on November 8th and posted on schoology group.

Sat. 13 Nov. from 4:00 - 6:00 pm PTA arranged first "Spooky" night in Qurtoba garden. Invitation Letter is attached.

ASA Program and Registration form is attached.

Mission Statement: Al-Bayan International School personalizes learning to achieve intellectual and individual growth of all students, empowering them to impact their community.

Grade 12 students working with clay: pinch pot style!

Grade 8 B presenting their newspaper article.

Grade 6 M studies artwork using natural resources for paint.

Grade 7M final results of sediment rock layers.

From School Psychologist: Ms. Zeina

I was pleased to join the team last August and to get to know the students and members of staff. As part of my contribution to raising awareness on Child Safety, I visited the Middle and High School classes and had fruitful discussions with the students about topics related to their personal safety. During the month of October the discussions revolved around Internet Safety and Cyberbullying prevention.

In November, I started visiting Middle School classes to talk with the students about Safe Touch. The goals of this month's intervention are helping students:

- Differentiate between a safe and an unsafe touch,
- Know what to do if someone touches them in a way that is harmful,
- Identify safe adults in their lives, and be aware that they can talk to parents or another trusted adult about anything,
- Know that they should continue to tell about harmful, unsafe, unwanted or bad touches until they are believed.

I always encourage parents to be prepared for any questions regarding these topics and to reinforce our discussions at home.

Grade 7B creating layers of sedimentary rocks with fossils in Science Lab.

Counselor Corner:

COUNSELOR'S CORNER

Seniors,

Registration for the Kuwait University Entrance exam (Qudurat) is open until November 11th.
Sunday, Nov 11th at 9:30: Guest speakers will be coming to talk to the grade 12's about applying to UK universities, living in the UK, and IELTS
