MS/HS WEEKLY NEWSLETTER

25 November 2021

2021-2022 Issue 14

Principal Message:

This week, Thursday, is American Thanksgiving. I'd like to share with you how thankful I am to be here at BIS working with our amazing students, families, and staff. Every day there is great work happening in our classrooms, and I am thankful for the dedication of our staff, engagement of our students, and support from our families. I'd like to especially thank the BIS PTA who worked really hard to put on a great event last weekend for our kids. They made everyone feel welcome and included.

I was grateful to share the work of our teachers with the international community. This week we were happy to welcome the Council of International Schools for a virtual visit. It was an honor to share with them all the great work being done by our staff and students. They spoke with students, parents, staff groups, and virtually observed lessons. I was proud to show them the great work we are doing at BIS.

I am grateful to see the hard work inspired by our social studies teachers. It was also international week, and I know it looked a lot different than it did in the past, but students really enjoyed sharing information about the culture, traditions, history and (of course) the food of their chosen country. A special thanks to Ms. Bessie, Mr. Benjamin, Ms. Hala, Mr. Brad, and Ms. Jamila for sharing the great work of their students with the rest of our campus.

I am grateful that we can do more fun things for our kids. We also had our first week of after school activities. We would love to see more middle school and high school students participate.

Next week, we will have our picture day for the 21-22 school year. Before we know it, winter break will be here, and then semester exams. The year is going by very fast. Thank you for helping us make it successful.
