MS/HS WEEKLY NEWSLETTER

10 September 2020

2020-2021 Issue 3

Principal Message:

Welcome Back! We had a GREAT first day. It was so nice to see all the smiling faces of students and teachers. We spent the day getting to know each other, sharing expectations, and introducing themes for study. As we work through online learning during the pandemic, we appreciate your partnership. *We will be sending out a parent/student survey in the next few weeks to continue to improve our E-Learning process and program.*

There are a few things I would like to review about our E-Learning plan:

1. Students need to be on time. I know that they have gotten in the habit of staying up late and sleeping in, but please work with them on setting an appropriate school time routine so that they are on time for class. **2. Students are required to have cameras on during class.** If your family does not have access to a camera, please let me know as soon as possible when you will be able to have a camera for your student. Being on time and actively engaged in the learning are the two most important aspects of student achievement.

We are happy to help all our students be successful, and we have extended student support hours for them (see the schedule below).

Finally, we are looking for pictures of at home learning and at home learning spaces. If you would like to contribute, please email the pictures to BIS Middle School/High School.

A message from School librarian:

Please return any library books or textbooks you have as soon as possible. You are welcome to drop books at the reception. If you have any questions, please contact me on 22052822 or via email School Librarian

Happy reading,

For any support in PowerSchool, please contact Mr. Ahmed – ETM System Administrator.
