MS/HS WEEKLY NEWSLETTER

3 February 2022

2021-2022 Issue 22

Principal Message:

Hello Families,

January was a very busy month. We finished the first semester of the 22-23 school year and our semester exams. BIS was granted accreditation from the Council of International Schools (CIS). Moreover, we have been maintaining in-person educational access for our students as much as possible during a spike in Corona cases. Our teachers, students, and families have demonstrated resilience and perseverance. There has been much to celebrate and much to challenge. The most important thing is that we continue to put our students first.

Semester 1 academic performance demonstrated high achievement. 53 of our high school students earned a semester GPA of 3.0 or higher, and 6 of them had a 4.0. 24 middle school students earned marks of A's and B's; 6 of them had only A's! Congratulations to these students for their hard work!

Now we will turn our attention to the month of February. We will celebrate Kuwait National and Liberation Day. We have already decorated and our Arabic department is planning our school wide celebration. We will also be recognizing the students who have demonstrated Flexible Thinking as our students of the month. We look forward to a great month!

COVID RESPONSE

.

We continue to be vigilant about protecting our students and staff. Based on the size of our campus and staff, we have determined that if we reach 60% of homeroom classes in quarantine, we would require our campus to revert to online classes for 7-10 days. Please continue to monitor the COVID dashboard for information.

Quarantined classes are required to attend online daily w/ cameras on.
