MS/HS WEEKLY NEWSLETTER

15 December 2021

2021-2022 Issue 17

Principal Message:

As we say farewell for our winter break, I hope you take the time to rest and relax. Our teachers, students, and families deserve the time to recharge for the end of the semester. We have all worked very hard to make our time together great.

I'd like to continue my reflection on what our students have achieved already this semester by saluting the work of some special groups. Our **math department** has worked very hard this semester finding engaging ways for students to interact with mathematical concepts from planning how to pay back a loan to buying and selling fractions. Our **arts department** has worked on not only creating beautiful paintings, clever boxed machinery, and dramatic scenes, but also understanding music and clay sculptures. In **IT** our students have learned coding and computer skills. I couldn't be prouder of the work I have seen going on at our school.

Enjoy your winter break and thank you for your partnership!
