Introduction

PowerSchool is a Student Information System (SIS) it keeps parents informed and engaged with anytime, anywhere access to 360-degree views of their children’s performance. PowerSchool helps parents with a suite of tools to:

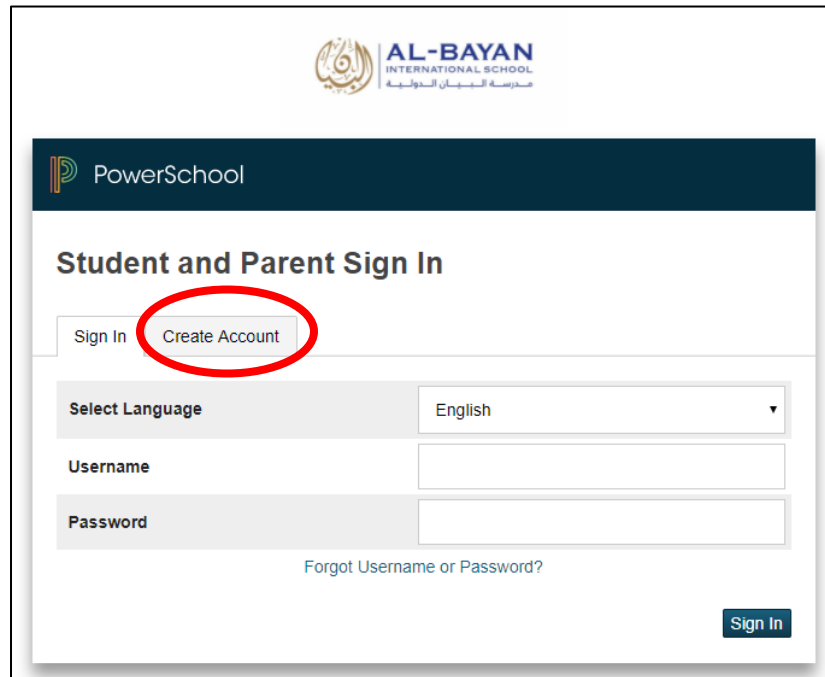

- Monitor student progress and communicate with teachers.
- Real-time notifications alert parents to new grades and attendance as well as important class announcements and reminders.
- Interactive calendars provide a big-picture view of student workloads, meaning parents can help students stay on track and manage their time.
- Parents can easily access important documents like IEPs, and private communication channels enable one-on-one correspondence with teachers to discuss student progress and growth.

Create Parent Account

A parent account allows you to view the information for your children. You can also manage your personal account preferences. The following steps will help you to create your parent account:

My Schedule

There are two ways to display a student's schedule. The **Week View** displays the student's schedule for the current week. The **Matrix View** displays the student's schedule for the selected term in a graphical format.

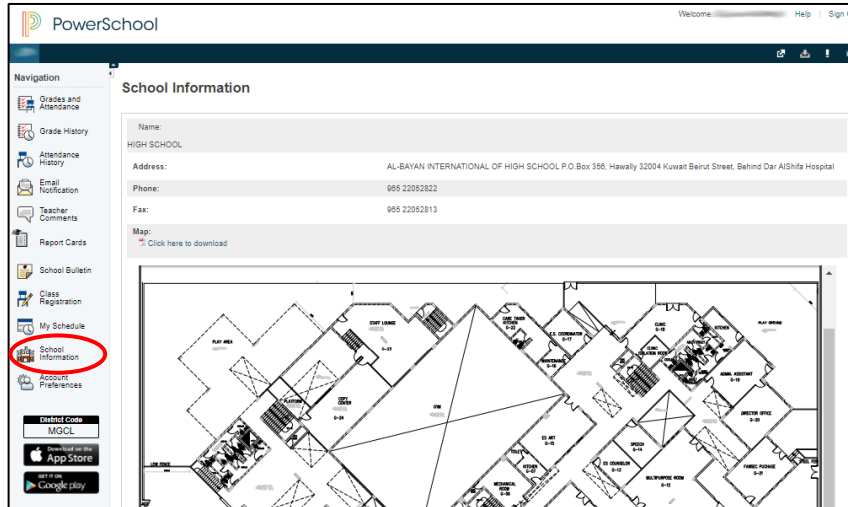

The screenshot shows the 'My Schedule' page in PowerSchool. The 'Week View' tab is selected. The schedule is displayed as a grid for the week of Sunday, 02/04/2018, to Friday, 02/09/2018. The grid shows class enrollments for HIGH SCHOOL only, with columns for each day and rows for time slots. The 'My Schedule' link in the navigation menu is circled in red.

School Information

The School Information page displays the physical address, contact information for the school and the school map.

Account Preferences

The Account Preferences page provides you with the ability to manage your parent account information, including your name, user name, password, and email address. In addition, you can add all students for whom you have legal and parental rights to your account in order to view their information by way of your account. To edit or remove a student associated to your account, contact BIS administration.

PowerSchool Mobile App

Built for convenient access to real-time student information like grades, assignments, and attendance, it provides enhanced functionality for parents, guardians, and students.

- Get easy access to the most important student data with an updated user interface, dashboard, and improved app structure.
- Use new dashboard widgets for quick access to important information including: GPA, Class Overview, Assignments Due, Assignments Graded, Attendance, School Bulletins, Meal Balance, and Fees
- Customize the dashboard by reordering or hiding widgets to prioritize the information that is most important to you
- Access class information and grades across terms and drill-down to detailed views of class assignments, attendance, and standards
- View class assignments for the week or month in a new calendar view, and drill-down to assignment details
- Manage push and email notifications, student profiles, access school information, and more

IMPORTANT NOTE: To access the PowerSchool Mobile App, you should use the **district code** (see *screenshot*) and your login credential.
