University Fair at BIS

The Makkawi Academy will host the Middle East Roadshow University Fair for our grade 11 and 12 students at our school on Wednesday, October 17. This university fair will include about 14 universities from the US and the UK.

PowerSchool

Parents should all now have access to PowerSchool and be able to check on their child's grades (for MS and HS), attendance and learn about what their child is learning through the Learning Management System. If you do not have access or want assistance using the program, please contact Mr. Basel, System Administrator at basel.alali@bis.edu.kw.

Cross-curricular Projects in Grade 8

Last week during history class, our Grade 8 students experienced what it was like for Michelangelo to paint the ceiling of the Cistine Chapel on his back. The students' efforts were impressive and we discovered talented artists at BIS. Projects like these are important because students can showcase their talents in a variety of ways and give them confidence when reading material after doing a fun activity.

BIS is a nut-free school

No type of nuts or nut based products is to be brought within the school.

Dates to Remember

University Fair for Grades 11/12: 17 October

IEP Parent Meetings: 18 and 21 October
