## BIS Sports Day

Sports Day is a day of fun and friendly competition. For many of our students, Sports Day is a critical element of Physical Education and makes up a significant portion of their PE grade. For all students, Sports Day provides the opportunity to be a part of a team and develop their understanding of camaraderie, sportsmanship, and sporting etiquette. This year we are excited to host middle and high school Sports Day at Boulevard Park in Salmiya. Please help us make the most of our students Sports Day by planning for the [attached](#) details.

MS & HS (Grades 5-12): Thursday, March 7th, 2019.

Each week KG1 learned a new letter of the alphabet and explored the properties of that letter using hands-on activities. They will learn next week the letter **K**. They will practice writing their new letter, identify the letter and associate it with the sound.

## KG 2 Activities

KG2 students will celebrate next week the letter "I". They will have many activities to recognize the capital and lowercase letter and the sound of the letter. Throughout the week, they will practice writing their new letter, identify the letter and associate it with the sound.

## KG 2 & Grade 1 Activities
