# MS/HS WEEKLY NEWSLETTER

**17 February 2022**

*2021-2022 Issue 24*

**Principal Message:**

This week we started our first Positive Behavior Incentive program. We are happy to recognize our students who are modeling our school's scholarly behaviors: Thinking Flexibly, Striving for Accuracy, and Persisting. We also recognize our students for demonstration our common expectations: Empathy, Self-Discipline, and Respect.

Next week we celebrate our students of the month for February! These students have demonstrated in their classes that they are flexible thinkers. They think outside of the box to problem solve and are quick to look at multiple options before making a choice to answer questions or learn new skills.

Also, we celebrate International and Liberation week. It is one of my favorite events at BIS. Teachers and students will share information about Kuwait history, music, culture, and food. It is such a wonderful way to share the pride we have for the country we are in. It is quite a celebration. Our Islamic and Arabic staff have been working to make our celebration memorable. We would also like to thank our wonderful PTA for their support.

Thank you for your continued support.
