KG/ES WEEKLY NEWSLETTER

10 February 2022

2021-2022 Issue 23

Principal Message

Dear BIS Families,

I certainly breathed a sigh of relief when we announced that classes no longer have to quarantine if there is a student who tests positive. As a result, we were able to have four classes return early from quarantine! After all, we know students learn best in class, with their teachers and with each other.

At the end of last week, Ms. Catie and I were able to present certificates to students. This is always a huge highlight for me, because it continually reminds us all of the tremendous work students are doing. For students, it is a tangible reward for their good work, for demonstrating the BIS Good Habits and following the BIS Common Expectations. I also happily note that classmates politely applaud, showing respect for each other. As always, Ms. Catie and I look forward to presenting more certificates next month.

Yours in Learning,

Mr. Sven

ANNOUNCEMENT

Counselor's Corner

Parenting can be challenging. Here are some tips to raise kinder, and more gentle children:

1. Respect your child in your words and actions. Let your child know that you expect to be treated with respect in return.
2. Be an example. Watch what you say, how you say it, and why you say it. By being mindful of your words, you send the right message to your child.
3. Let children know that you still love them even when you disapprove of their behavior.
4. Don't hide your feelings. If you're feeling upset or unhappy, don't cover it up. Being vulnerable around your children builds their empathy skills and allows them to offer you comfort with a hug or some kind words. Let your children know that they helped you feel better.

Thank you. Stay safe.
Ms. Jana

Punctuality

The arrival bell is at 7:20 am and classes start at **7:25 am**. Teachers often begin with a morning message, a class check-in, or even circle time. This is an important time because it prepares students for their day, for their work. I know parents do not like being late for work. School is, for lack of a better way of looking at it, students' jobs. Please help students be on time.

MyMedBot

As a gentle reminder, all students must have MyMedBot submitted for them daily before entering school.

للتذكير، يجب على جميع الطلبة أن يكملوا تعبئة التطبيق MyMedBot يوميا قبل دخول المدرسة.
