2021-2022 Issue 25

Assist Principal Message:

Dear BIS Community,

First, I'd like to wish you all a happy Kuwait National Day. I trust that you'll enjoy the holiday along with the festivities during the break. At BIS, middle school and high school students celebrated by wearing traditional clothes, participating in cultural activities, and demonstrating Kuwaiti pride.

Our Positive Behavior Intervention Support (PBIS) program is off to a great start! Students are earning rewards tickets for demonstrating our good habits and expectations, and parents are being notified through email. Prize winners for our first drawing were: Lolwah (Grade 7M, Persistence) and Bander (Grade 12A, Persistence). Fantastic work students! Let's keep up the good work and continue earning rewards & tickets for our next drawing on March 10th.

Finally, this week we also recognized one student from each homeroom for demonstrating Flexible Thinking. The recipients were awarded certificates for their achievement. Our students of the month were open-minded and willing to try new things, used higher order thinking and problem-solving skills, and adapted to change as they learned new ideas. Excellent work!

Sincerely,
Mr. Rob
