MS/HS WEEKLY NEWSLETTER

7 April 2022

2021-2022 Issue 29

Assist. Principal Message:

Dear BIS Community,

Ramadan Kareem! I trust that you had a restful spring break and that you and your families are doing well this Ramadan. At BIS, we had a productive week in the MS/HS with respect to MAP testing, electives selection for next school year, high school graduation planning, and successfully transitioning to the Ramadan schedule.

The Student of the Month theme for April is persisting. To demonstrate this BIS Good Habit, students won't quit when faced with challenges, they'll set personal goals for improvement and continually work towards them, and they'll stay focused while making good use of their time. As students practice persistence this month, one student from each homeroom will be recognized with a Student of the Month certificate and a medallion for their achievement.

Another exciting MS/HS event being planned is "Move Up Day." On June 1st, current grade five through eleven students will have the opportunity to experience one day in the next grade level to prepare for the 2022-2023 school year. Students will meet some of their new teachers, receive course overviews, and ask important questions to ensure their success next year. We're looking forward to this event and especially welcoming our current grade five students to middle school in the coming months!

Have a fantastic week ahead.

Sincerely,

Mr. Rob
