MS/HS WEEKLY NEWSLETTER

14 April 2022

2021-2022 Issue 30

Principal Message:

Ramadan Mubarak! This week we completed our MAP testing and the students worked very hard to demonstrate their increased skills. I am very proud of them.

Next week, we will finish our elective registration process for the 22-23 school year. We are proud to offer over 20 electives in art, music, drama, and information technology. Our elective teachers have worked hard to craft creative courses that will encourage students to explore their talents and offer choices.

The end of the school year is fast approaching. There are only 15 regular school days left for our seniors and 35 regular school days before exams for grades 6-11. After EID, we will have one week to review and prepare for senior exams, May 16-19. It is a good time for the grade 12 students to check in with their teachers and catch up on any missing work.

I encourage you this week to take some time to check PowerSchool and Schoology for student grades and missing work. Take the time this week to check in with your student about their grades. Don't wait until it is too late for teachers to make accommodations and plans. We all want our students to finish the year strong.

Thank you as always for your continued support.
Ms. Lorraine
