## Principal Message

Dear BIS Families,

Slowly but surely, things are returning to normal. We are now, as I'm sure you know, no longer required to wear masks. I noticed that there are several students who continue to wear masks and applaud them for their conscientiousness. I also am feeling a sense of relief as we had received many inquiries as to when masks would no longer be required.

Since we have returned to our regular schedule/timings, including the resumption of after-school activities, traffic has eased up during dismissal. I know that traffic in Hawally is still congested, however I hope you are finding afternoon pick-up a little easier again.

We noticed that there are some students who are picked up early. We fully acknowledge that sometimes there are situations requiring students to leave early, such as medical appointments.

However, please remember that students are receiving instruction until dismissal time, and early pick-up reduces learning time, and students may miss out on important information. Please avoid picking your child(ren) up early. Also note that students will no longer be dismissed between 1:30-2:00 without prior notice.

Yours in Learning,

*Mr. Sven*
