MS/HS WEEKLY NEWSLETTER

2021-2022 Issue 33

Assist Principal Message:

May is an exciting month for our seniors. The BIS Class of 2022 will write their final exams next week, attend their Senior Lunch the following week, and celebrate their achievements at the High School Graduation Ceremony on May 31st. Good luck on your final exams and enjoy these memorable events over the coming weeks!

Last week the MS/HS team welcomed a new staff member to BIS. Mr. Mansel is our Librarian/Media Specialist and is currently renovating the library in preparation for the start of the 2022-2023 school year. We're thrilled to reopen the library in August and continue encouraging all of our students (K-12) to develop a love for reading.

Two additional MS/HS events are also being planned before the end of the school year: MS Career Day and the MS/HS Student Awards Ceremony. Our middle school students have communicated an interest in career exploration, and we're eager to provide them an overview of the various career fields available to them. We're hopeful the Middle School Career Day event will spark their interest as they consider their future occupational plans and goals. The MS/HS awards ceremony is a fantastic event where students are recognized for their academic, personal, and behavioral accomplishments. Everything from subject specific awards to PBIS achievements will be celebrated. We're proud of the progress that our students have made this school year!

Have a great week, Mr. Rob
