KG/ES WEEKLY NEWSLETTER

26 May 2022 *2021-2022 Issue 35*

Principal Message

Dear BIS Families,

What a week it has been! Blowing wind, bowling, book fair and the KG2 Promotion Ceremony! Many students were able to go on their first field trip in more than 2 years. Students had fun bowling and also helped out the Grade 12 Graduation Class.

KG students are always cute and looked especially adorable in their shiny KG2 Promotion outfits. Thank-you parents for attending this important milestone in your child's life!

Coming from Canada, I've experienced "white-outs" (snow storms) many times. I have never before experienced sandstorms, and now have experienced two in two weeks. During afternoon pick-up, many parents have hinted at how hot Kuwait gets. Very, very high temperatures will also be a new experience for me.

I've also been asked "when will we go back to the old way of picking up our kids?" I can finally answer this question. Next week (May 29 to June 2) will continue with the current number system. Beginning Sunday, June 5, students will once again be picked up from inside the school's foyer. Classes will be lined up downstairs and staff will release students to the designated adult.

Please bear with us as we try this system - it has been a **long** time since we've used this dismissal system. During the last week of June, ES parents will receive an email with a link to a survey asking them which dismissal system they prefer.

Yours in Learning,

Mr. Sven

Self- Care for Caregivers

You've probably heard the phrase: "it's a marathon, not a sprint". This saying is a good summary of what parents face as they raise their children; and it is an especially good reminder for parents of children with special needs.

This has been a year like no other and you should pat yourself on the back for everything you have done to support your child. Now, it's time to take a step back and take care of YOU.

These are things every parent should hear/know:

- You are not alone
- You too deserve to cared for
- You aren't perfect and that's ok
- You are a superhero
- You will be obliged to make heart wrenching decisions
- You won't always get it right
- Forgive yourself
- Celebrate the little things

By resource room teachers; Ms. Farah and Mr. Stephen
