2021-2022 Issue 36

Principal Message:

This week I was proud to host the 5th annual Al-Bayan International School Commencement program. Seeing our seniors in the white and blue makes all of the hard work worth it. Our young men and women are special, and I was blessed to spend the last two years with them. Watching the slideshow with them always makes me tear up a bit as I watch them go from little kids to adults. I wish them all the best as they navigate their post-secondary schools and careers.

The day following graduation, we welcomed our next crew. The class 2029! It seems so far away, but we all know that our kids grow up quickly. The incoming 6th-grade class got to see what it would be like to be in middle school during our Move-Up Day, and it may just be the pizza and T-shirts, but they said they had a great time. Our teachers also had a great time. We are excited to see them back in our classrooms in the fall.

All of our students got to experience what it feels like to be a new student in their new grade level during Move-Up Day, and I hope they felt like they are ready for their next steps.

Next week we will have our final exams of the 21-22 School Year. Sunday, June 5th, is a day for your student to meet individually online with their teacher and get answers to questions and support in preparing for exams. Remember that during exams, students should arrive 30 minutes before their exam time and should leave campus immediately after their exam ends. We appreciate your flexibility and support.

Thank you for your partnership!

Dates to Remember & Important Notes:

Wishing you all a great end of the school year and a wonderful summer vacation.
