2021-2022 Issue 38

Principal Message:

Well, it's here already! The end of the 2021-22 school year. It seems like I blinked and the summer arrived. There's a lot to celebrate about our kids this year. We had 22 amazing graduates. We gave out 1000 PBIS tickets. Recognized 121 students for achieving their MAP goals. We had 80 students on the honor roll, and consumed 210 pizzas! We read dozens of novels and completed hundreds of math problems. We achieved CIS accreditation, had an active student council, began building student leadership opportunities, and took our first field trip since COVID closed the school in 2019.

Next year will be even better. We are continuing to grow and improve every year, and we are so happy to have you with us on our journey. Thank you for sharing your kids with us this year. We are already looking forward to the fall.

Have a great summer, and remember to READ!

Ms. Lorraine, MS/HS Principal

Important note from school nurses:

Just a quick reminder of the Ministry Guidelines for both positive cases as well as close contacts. (effective April 27, 2022)

Positive for Covid - remain home and isolated for 5 days from the date of infection and then wear a mask at school (in public) for another 5 days.

Close Contact :

1) wear a mask for 14 days from date of last contact (if symptoms develop in that time, a PCR is required)

2)students who are a close contact can attend school but must wear a mask at all times.

Please let the nurse know if your child is positive for COVID-19 or is a close contact of someone who is positive.

If there is any kind of illness with your son/daughter. You need to inform the school nurse and submit a sick leave or medical report.

COVID Vaccination : BIS Students who get the first and second vaccine, please email the school nurse on heba.abouharb@bis.edu.kw and antony.delecta@bis.edu.kw . Send the vaccine note for confirmation.

Ten Hot Weather Safety Tips:

1. **Stay hydrated**. Drink plenty of fluids; drink about 500 ml before starting and 150-200 ml every 15 or 20 minutes.
2. **Avoid dehydrating liquids.** Coffee, tea and caffeinated soft drinks can hurt more than help. Water (plain or flavoured) is a better choice for staying hydrated.
3. **Wear protective clothing.** Lightweight, light-colored and loose-fitting clothing helps protect against heat. Change clothing if it gets completely saturated. Wear a hat for extra protection.
4. **Pace yourself.** Slow down. Know your own limits and ability to be out safely in heat.
5. **Schedule frequent breaks.** Take time for rest periods and water breaks in a shaded or air conditioned area.
6. **Stay indoors during the hottest times of the day.** 10 am to 5 pm is the hottest time of the day.
7. **Avoid getting sunburn.** Use sunscreen and wear a hat if you have to be outside.
8. **Be alert to signs of heat-related illness.** Know what to look for and check on others that might be at high risk.
   a. dizziness
   b. headache
   c. irritability
   d. nausea
9. **Avoid direct sun.** Find shade or block out the sun if possible.
10. **Eat smaller meals.** Eat fruits high in fiber and natural juice. Avoid high protein foods.

Have a safe, fun summer
