MS/HS WEEKLY NEWSLETTER

1 September 2022

2022-2023 Issue 1

Principal Message:

Welcome Back! The beginning of the school year is my favorite time of the year. Seeing how our students have grown over the summer and welcoming new students to our campus. This summer, I was grateful to spend time with my family in the United States, but I am happy to be back as your principal. I look forward to making this year memorable for your student and your family.

Thank you to all the parents who came to our orientation events. It was so nice to meet all of you. If you were not able to attend our parent orientation, the slides are attached to our newsletter. We have some new services including bussing, supply purchasing, and soon we will have new uniforms. We will continue to update you on uniform purchasing when they come in.

If you're a new family, welcome to BIS where we work hard to meet our students where they are academically and help them improve. We recognize students for positive behavior and make learning fun and engaging. Our focus this year will be on our continuous growth in high-quality teaching and learning. We want every student to leave our school feeling they are prepared for college and careers. We know that you have choices in schools, and we are proud that you have chosen us for your student.

The week has been very busy. Students have learned how to find their classes, have lunch, participate in electives, and more. I hope that they are sharing with you the activities that are going on in their classes as we get students re-acquainted with the building. We are happy to share a few highlights in our photos from the week.

I look forward to seeing all of you at our Open House on September 21st.

It's going to be a great year!

Welcome back to a new school year!

notes from the NURSE

Here in the clinic, we are excited for another school year and to be working with you to ensure that all students are healthy and happy. We have lots of new ideas this year. Firstly, we have a clinic email address. If you have a question or want to communicate something to us about your child you can send an email to bisnurses@bis.edu.kw. The inbox is monitored regularly but please allow up to 24 hours for a response. If your need is more urgent, please call the school and ask to speak to one of the nurses. Ms.Heba ext 8049 and Ms. Kathy ext 8019

We will also be collaborating with the health teachers to provide some health education.

You will be receiving a health record to fill out for your child as well as a medication list for your signature. These need to be completed every year, so please get these back to the school as soon as possible so we can update our records. They can be sent back with the students or emailed to the clinic email. If your child requires medication while at school, please fill out the medication consent form and send the medication with the prescription from the doctor to the school.

If your child is in MS/HS and is away sick for 1 day, you will have to have a sick note filled out by a doctor and returned to the clinic.

Just a reminder about Covid-19 as we start the school year:
Positive for COVID:
A) Remain home and isolated for 5 days from the date of infection and then wear a mask at school (in public) for another 5 days.

Close Contact:

A) Wear a mask for 14 days from the date of last contact (if symptoms develop in that time, a PCR is required).
B) Students who are a close contact can attend school but must wear a mask at all times.

Please let the nurse know if your child is positive for COVID-19 or is a close contact of someone who is positive.

Thank you, and we look forward to working with you,
Ms. Kathy and Ms.Heba
