KG/ES Bi-WEEKLY NEWSLETTER

26 October 2022

2022-2023 Issue 5

Principal Message

Dear BIS Families,

Firstly, congratulations and well done to all the students who were recognized at the **Quarter 1 Awards Assembly** held today. It always impresses me, and makes my heart smile, to see so many students demonstrating the **BIS Good Habits** and following the **BIS Common Expectations**, and being recognized as **Student of the Month** for their outstanding work in their classes.

As you can see from the "Dates to Remember" section of the newsletter, there are many things coming up in the next few weeks. I hope many of you will be able to attend the **Run Kuwait** event happening this weekend. This event was also highlighted at the recent Parent Diwaniya.

Ms. Catie and I are inviting parents to **"Pastries with the Principals"** on Tuesday, November 1 from 7:45 AM to 8:45 AM in the second floor library. This is an opportunity for parents to talk with us, in an informal setting. It is also a tremendous opportunity for parents to get to know each other and have more community connections.

We're excited that our first field trip of the year will be next week as well! Grade 1s are going to Kidzania! During Corona/COVID, there were of course no field trips. One sure sign of the return to normalcy is that field trips are happening again.

I'm looking forward to seeing many parents at the **Parent Teacher Conferences** being held November 8, 9 and 10. Please remember to book your appointments though PTC Fast. The link for PTC Fast will open on November 1.

Yours in Learning,
Mr. Sven

Run Kuwait

Run Kuwait is back and Al-Bayan International School is ready. We are counting on our BIS community to register with us and take part in this charity fun race. Our BIS Team had more than 120 members registered in the previous race. Staff, students, and families, help us make this great cause one of our strongest community events. Race day is Saturday, October 29th, 2022 at 7:30 am at Marina Crescent. Please click here to view the letter to know how you can join us. We are looking forward to seeing everyone on race day. Here attached the flyer.

BIS Clinic Message

As per the Ministry of Health - School Division, we are presently in the process of screening students in all grades. All students will have their height and weight recorded. Students from KG to grade 2 will have a vision check and students in High School will have their blood pressure done.

Parents with students in grade 5 and 12 and girls in grade 6 will have received an information sheet and consent form this week for vaccination. Please sign and return to the Homeroom teacher as soon as possible. We do not have a date for when vaccinations will be, but want to be prepared.

We have been seeing a large number of students in the clinic with cold and flu symptoms. Many are being sent home with fevers as well. If your child is sick, please keep them at home. We all need to work together to decrease the spread of seasonal viruses. Flu vaccinations are available for anyone over the age of 6. Appointments can be booked at the link .

Ms. Kathy and Ms. Heba

Hockey Skills

Students in G3-5 practice Hockey skills! This is something new for them and it is good to build some new skills and learn how to play field hockey.

Field hockey is a team sport structure in standard hockey format. Students need to know how to hold hockey sticks properly and be safe during the game.

We practice dribbling, passing and shooting drills. Next week we will play mini hockey during the PE lesson.
