KG/ES Bi-WEEKLY NEWSLETTER

9 March 2023

2022-2023 Issue 14

Principal Message

Dear BIS Families,

The highlight of the month, if not the year, for many was (were) the Sports Days. I suppose I must now say "Day**s**" because the event actually took place over 3 days as we've grown and need to spread the levels out to accommodate all students. For ES, I hope you liked the Argan Bedaya location. The fields are in amazing shape, and the entire facility is exceptional. Incidentally, in case you didn't know, this was also where grade 3, 4, and 5 students went for their STEM field trip! It was wonderful to see students participate in a wide variety of activities. I'm sure there were more than a few tired students at the end of the day!

Thank-you to BIS's amazing PTA *for their support, time, and dedication! PTA members spent entire days on location to help with the snacks, pizza and medals which PTA provided! And the t-shirts were not just "class" t-shirts - they were personalized with students' names! Again, amazing and we are very grateful for BIS PTA's support and generosity!*

Another highlight of March is the Progress Report and the Parent Teacher Conferences. We will be sending home a letter to you about booking conferences and the conference timings on Sunday, March 12. Progress reports are an important part of teaching and learning, and point out areas where students are doing well in, as well as areas where students can continue to grow. As education is a partnership at its core, this is another way that the school, teachers and you, dear parents, can continue to work together to achieve student's success in learning and providing high quality teaching and learning.

Yours in Learning,

Mr. Sven

Student of the Month

BIS Clinic Message

Greetings from the Clinic!

Ms. Heba will be putting posters demonstrating good handwashing in the KG/ES bathrooms as a reminder for students. She will also be putting up posters in the classrooms to remind students to cover their coughs and sneezes with their sleeves.

Please call or email the nurses if your child is ill. This gives us the opportunity to inform the teachers.

Thank you,

Nurse Heba and Nurse Kathy
