KG/ES Bi-WEEKLY NEWSLETTER

13 April 2023

2022-2023 Issue 16

Principal Message

Dear BIS Families,

As you can imagine, writing and putting together a newsletter happens over the course of several days. In this edition, I was going to comment on the Community Iftar. I was going to comment on how wonderful it is to see students in their dar'aas and dishdashas. Instead the attention is focused on the weather. Due to the weather and expected heavy rains, Thursday April 13 was an online learning day. I fully realized that since students were not at school on Wednesday, they may not have a lot of supplies at home. Teachers know this and will improvise. Teachers will teach. Students will learn. And in partnership we will have a good day of learning.

Last year was my first time to experience Gerge'an. This year was equally, if not more amazing. The spirit of kindness and generosity from the entire community is truly heartwarming and students absolutely love Gerge'an! ***Thank-you*** *for your generosity, and especially your time and energy in helping students celebrate! Next week is Spring Spirit Week, and the schedule of days is included in this newsletter.*

As we enter the last week of the Holy Month of Ramadan, the entire KG/ES Department wishes you continued health and accepted prayers. رمضان كريم

Yours in Learning,
Mr. Sven

BIS Clinic Message

Greetings from the Clinic!

Ramadan Mubarak to all, wish you all a happy, safe and blessed Ramadan.

Please call or email the nurses if your child is ill. This gives us the opportunity to inform the teachers.

Thank you,

Nurse Heba and Nurse Kathy

Hello BIS Community!

It is with great excitement that I write this letter of introduction to you as the incoming Assistant Principal for the next school year. I am honored to have the opportunity to help lead a school with such persevering students, an extremely dedicated staff, and a supportive school community. I feel very fortunate to be part of BIS and to support the staff and students in my current role as the Instructional Coach for KG/ES, as well as being a parent.

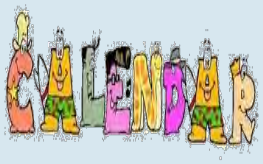

I am a wife and mother to two beautiful little girls, Nyla, 4 years old in KG1L and Zuri, 2 years old. When I am not at school, you might see me wandering through the malls with my family, at the beach or the park early in the morning. On holidays we enjoy traveling to different countries, and visiting our family in Toronto, California and Nevada.

I have been dedicated to the field of education for 10 years and view myself as a life-long learner. I have earned 2 bachelor's degrees, a master's in educational leadership and a principal's qualification from Toronto, Canada. In addition, I have gained specialist certification in the field of mathematics education, and certificates from NESA, GOA, IB, and Harvard. I have worked with students ranging in age from kindergarten through 12th grade in a variety of roles. I am thrilled to bring my skills as an educator and leader to BIS and to work with you as a partner in education.

Since working at BIS, I continue to learn more about the uniqueness of this school and how it is truly a special place. I am excited to unite my experience, my openness to learn, and our child-centered approach to support our students. Because the relationships between teachers, administrators and families are vital to the success of our students and school, I encourage you to come and visit me at any time or join us at Pastries with the Principals events, I am beyond excited to be serving this school as the next AP and a parent.

Sincerely,

Akiela Clarke
