2022-2023 Issue 2

Assist. Principal Message:

Dear BIS Community,

I'm proud to report that the 2022-2023 school year is off to a great start for middle and high school. High quality teaching and learning is occurring each and every day, along with excellent student attendance and behavior. Thank you all for your support. Students, let's keep up the good work!

Here are a few tips to ensure success during the first quarter:

- Period 1 begins at 7:20am, Gate 2 opens at 7:00am, Please arrive on time.
- Adhere to the Student Dress Code: BIS Old Uniforms or White/Gray Polo Shirts, Dark Blue/Black Pants are acceptable. For PE: White/Gray T-Shirt and Dark Shorts.
- Students are to demonstrate the BIS Good Habits & Expectations Daily.

On Wednesday, September 21st from 6:00pm-8:00pm, BIS will host an Open House event for all MS/HS parents. This event provides an opportunity to meet your child's teachers, follow their daily schedule, and chat with members of the counseling and leadership teams. We look forward to seeing you there!

Over the past couple of weeks I've had the pleasure of hosting class meetings with all high school homerooms and sat in on numerous middle school classes. To further reinforce student academic achievement and character development, I'm launching the PBIS program next week (Positive Behavior Intervention and Support). Teachers will continue to recognize students for demonstrating our school's expectations and students will have opportunities to win individual and group prizes for their efforts. Your support for this program has enabled us to maintain a positive school culture for our students to thrive and we look forward to sending you positive communications throughout the academic year.

Have a great week!

Mr. Rob
MS/HS Assistant Principal

A Note from the Nurse :

notes from the NURSE

As we see students in the clinic we are finding that there are a number of students that do not eat breakfast and some that also do not eat lunch. They are coming to the clinic with complaints of being tired, having a headache and even dizziness. It is very important for students to always eat breakfast, even if it is something small: a banana, a piece of toast or an egg. Numerous studies have shown that eating breakfast fuels the brain and improves learning.

Reasons Why You Should Eat Breakfast Every Day

1- Improves Concentration and Focus

2- Helps Lift Your Mood

3- Helps Manage Your Appetite

4- Helps Your Heart

5- Improves Academic Performance

6- Aids in Weight Management

7- Boosts Your Immune System

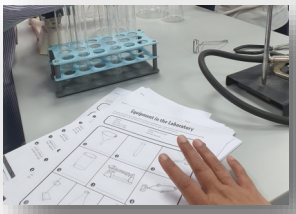

If your child is away sick, they require a medical note after 1 day in order to be medically excused. Otherwise, PowerSchool will only be marked absence excused.

Sick leave forms can be found on the school website, picked up in reception or emailed from the nurse.

Just a reminder to return your health forms as soon as possible. Being aware of and understanding any health issues students have enables us to provide safer care while at school.
