2022-2023 Issue 4

Assist Principal Message:

Dear BIS Community,

This week MS/HS students successfully completed their MAP tests. I'm confident that students will continue to demonstrate growth during the school year by focusing on their individualized reading, language use, and math goals. Well done students! With regard to student behavior, I was also thrilled to see students earning PBIS tickets for abiding by our school wide habits and expectations. October's Student of the Month theme is respect, so homeroom teachers will be recognizing students for displaying good manners and valuing others at our quarterly awards assembly on October 26th.

MS/HS staff participated in professional development sessions on Tuesday and focused on important teaching skills and student support strategies. Dr. Alex, the 2023-2024 BIS Director, also warmly welcomed the staff and shared his insights and experiences with us. The PD event was both engaging and enriching, and the MS/HS team is eager to implement the strategies reviewed moving forward.

On October 19th at 5:00pm, BIS will host its first Parent Diywaniya event of the year and we welcome you to join us! At the event, a Run Kuwait representative will also attend to share information about the upcoming 5K and 10K charity races occurring on Saturday, October 29th. Lastly, on October 20th, all students and staff are encouraged to wear pink to raise awareness for cancer. To take advantage of the dress day, students can make a donation which will go to the Al-Sidra Association to support this important cause.

Have a fantastic week.

Sincerely,
Mr. Rob
MS/HS Assistant Principal
