MS/HS NEWSLETTER

8 December 2022

2022-2023 Issue 8

Assist Principal Message:

I trust that you are well. I'd like to wish you all a safe, relaxing, and happy holiday season. Enjoy your Winter Break with family and friends and have a Happy New Year! The MS/HS team looks forward to welcoming students back to school on January 3rd and successfully completing semester one.

December was certainly a productive month. MS/HS teachers submitted 575 PBIS tickets to students demonstrating our school wide habits and expectations. Homeroom class 6J earned 167 tickets which is fantastic and they'll be rewarded with a pizza lunch next week for their achievement.

In December, BIS hosted a few exciting events as well. First, I'd like to thank the PTA for organizing "Decades Day" and giving our students and families the opportunity to gather and enjoy the 70's, 80's, and 90's theme. Second, I hope you'll all attend our Winter Wonderland event on December 14th at 5:00pm. MS/HS students have worked hard to prepare music, performances, and artwork that showcases their talents and skills. A big shout out goes to the BIS Specialists department for making this event a success. Finally, on December 15th (Early Release Day), the MS/HS staff will host our annual "Hot Chocolate Morning" where students celebrate the holiday season and enjoy a hot chocolate drink with their toppings of choice as they arrive to school.

Apart from these wonderful events, it's also important that our students continue to prepare for their upcoming midterm exams after Winter Break. Teachers will send out their study guides before Winter Break to ensure that students have ample time to study.

Parents, please encourage your students to give their best effort and review for their exams to do their best.

Sincerely,
Mr. Rob

Mask Donation to BIS:

Special thanks to the Ghazi Alabdulrazzak Co. and the donation of hundreds of high quality face masks. Due to their generous donation, we are able to give each student 4 masks, and still have a number left to have in the clinic.

To be clear: There is no mask mandate, and we are not asking students to wear masks. However, we have noticed that there is an increase in student absences due to cold and flu-like symptoms. A number of families are planning on traveling over the Winter Break, and the masks can be part of preventing illness. In short, students who want to wear a mask at school are welcome to do so.

Parent Support: For any support with PowerSchool or Schoology, please contact: Mr. Ahmed | ETM System Administrator ahmed.mohamed@bis.edu.kw

BIS Uniforms :

Mission Statement: Al-Bayan International School personalizes learning to achieve intellectual and individual growth of all students, empowering them to impact their community.

RESPECT • EMPATHY• SELF-DISCIPLINE

NOTE FROM CLINIC :

THE Nurse NOTE

The clinics have been busy with students with cold and flu symptoms. Please ensure your child is staying home when sick. This includes fever and vomiting. As per the school health policy, students must be fever or vomiting free for 24 hours prior to coming back to school. Flu vaccinations are available by following this link .

If your child needs to take medication during school hours, it is important to send the consent form with clear instructions. This is the best and safest way for us to ensure your child gets the correct medication at the correct times.
All student screening for Middle School is completed and we will continue with High School in the New Year after exams. Students in grades 12 and the girls in grade 6 will be receiving mandatory immunizations this year. We do not have a date yet, but consent forms have been sent out. Please return them as soon as possible so we are prepared. Emails have been sent to all households that have not yet returned their form.

If you need a form, email the clinic at bisnurses@bis.edu.kw and we will send you one..

We hope you all have a healthy and restful winter break.
