The MS/HS team is hosting a few exciting events and field trips in January. Note from Clinic:

Welcome Back and Happy New Year!

Next month, Nurse Kathy will be providing education to all high school students regarding the short and long term effects of smoking and how to quit.

We have been seeing two trends in the clinic in the last week. We have seen stomach ache with vomiting and a common cold. Please remember that children that are vomiting cannot stay at school and should stay home until vomiting has stopped. Also, children that are coughing may be sent home in order to contain the spread of infection. Wearing a mask when coughing or having syptoms helps protect everyone.

We still have not received all of the permission slips for grade 6 girls and grade 12 immunizations. If you have not returned it, please do so as soon as possible. We do not have a date for the immunizations at this time but need to be prepared for when the Ministry comes.

If you need another form, please email bisnurses@bis.edu.kw and we will send you one.

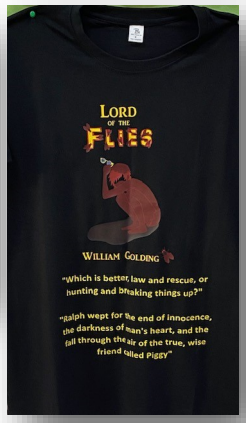

Thank you,
