26 January 2023

2022-2023 Issue 11

Principal Message:

Welcome to the spring semester! Although the weather is not cooperating yet, we have had a very busy first week of the semester. In this newsletter, we are happy to share with you a large list of our accomplished students. We celebrated the students who made the Honor Roll at our quarterly award assembly on Wednesday, January 25. We also celebrated Homeroom 6B as the PBIS winners and our PBIS winners from each grade. I am extremely proud of the hard work done by our staff and students. I would like to give a special shout-out to Mr. Rob and the PBIS committee for continuing to keep our positive reward system motivating for students.

We have a busy month ahead. Coming up during the week of February 5 – 9 we will have our Career Week. There will be a week of programming to teach students about future career options and post-high school opportunities. Also, from January 29 – February 2, the PTA is helping to sponsor or Arabic reading challenge.

Thank you for all the support you continue to provide. We are looking forward to a great spring semester.

Thank you,

Lorraine Hirakawa
MS/HS Principal

Note from Clinic:

Next week, grade 6 and 7 students will be receiving education about adolescent development (boys and girls will be separate for the classes). Nurse Kathy will be presenting the physical changes that kids go through and the counselors will be talking about the social and emotional changes that happen.

In February, Nurse Kathy will be providing education to all high school students regarding tobacco use and vaping, the short and long term effects and how to quit.

We will be screening the High School students for height, weight and blood pressure in February.

The Ministry nurses came this week and gave grade 12 students their immunization for Diphtheria and Tetanus (DT). If you wanted your child to receive the vaccine and didn't get your consent handed in, we will have the nurses back if there are enough students. See the attached forms and sign and send back to the homeroom teacher or reception.

Alternatively, you can email directly to the nurses at bisnurses@bis.edu.kw We still have not received all of the permission slips for grade 6 girls. If you have not returned it, please do so as soon as possible. The Ministry nurses will be here next month to provide the grade 6 immunizations.

Thank you,
Nurse Heba and Nurse Kathy
