MS/HS Bi-Weekly Newsletter

27 April 2023

2022-2023 Issue 17

Principal Message:

Welcome Back! I hope you had a restful Eid.

We are now in the last six weeks of school. It is time for our students to finish strong. In the past, Ramadan and Eid have been very close to the end of the school year, but this year there are still six weeks left. Please remind students to continue to put forth effort, show up, and engage in their lessons. This is not the time to let their grades fall.

We also have a very short time left with the class of 2023! I will be very sad to see them go. They have been such a tremendous group of students. We will be celebrating with them in the month of May, not only with our commencement on May 29th, but also the senior walk and lunch on May 18th.

As we look forward to these events and the close of the school year, I want to thank you for your continued support and partnership with the MS/HS staff.

Thank you,

Lorraine Hirakawa
MS/HS Principal

Note from Clinic:

notes from the NURSE

Greetings from the Clinic!
As we move into the hotter summer months and your children are outside more, please ensure they are using sunscreen. Sunscreen should be at least SPF 50. Wearing a hat will also protect them from the harsh rays of the sun.

Please inform the clinic if you take your child to get any vaccinations so the health file can be updated.

Please call or email the nurses if your child is ill. This gives us the opportunity to inform the teachers.

Thank you,

Nurse Heba and Nurse Kathy
