Message from the Director

Dear BIS Community,

Last year, I announced my decision to make this my last year as the BIS Director. This decision did not come lightly, but I truly feel now is the ideal time for me to depart. We have a lot to be proud of and have accomplished many things together. It has been my great honor to serve BIS community and I am proud of the work we've done together over the last eight years. I would like to give my thanks to our Board of Directors for their continued support, the families for their faith in BIS, to BIS staff who have shown dedication and commitment to our students and to the students for persisting and making BIS halls shine brightly.

Yesterday, I wrote to the staff and left them with these final words; by being yourself, you inspire and empower others – so thank you to each of you for being you which has inspired me to the leader that I am today. Finally, for anyone that I may have wronged, I ask for your forgiveness.

Thank you, thank you, thank you.

In Partnership,

Dr. Zak Palsha

The purpose of this form is to gain insight & gather some information (contact info, school, area, etc...) about students who are potentially interested in subscribing or renewing their subscription to the bus service to help with the company's next year's operations and it DOES NOT include any payment requirements.
