2022-2023 Issue 1

Principal Message:

Dear parents,

Its wonderful to have the students back into the school and a great start to the year has occurred. We'd like to make the following reminders that will allow our daily organization to run smoothly.

Uniform

Students must be wearing school uniform with BIS logos to enter lessons. If they have a good reason for not doing so e.g. the uniform is on order, then parents should contact the school but please note this will be only a temporary fix and as soon as possible the BIS uniform must be worn. Students not in school uniform will remain in reception until the correct attire can be bought for them to change into.

They must also bring PE kit to change into and out of during PE periods. To ensure they will have plenty of time to do so, 5 minutes at the start and conclusion of each PE period will be given over to changing.

Start of the Day

A reminder that the school gates only open at 07:00 am and students will not be admitted before this time. The warning bell goes at 7:15 am, with classes starting at 7:20 am

Lockers

Please promote the use of the lockers to your children and if possible, please supply them with a lock to secure their possessions. Even if they only carry their resources for the subjects before break and then swap them for those needed after break, this will reduce their load considerably. We are very much looking forward to working with you and the students to ensure their time at BIS is positive and they make great progress.

Thank you,

Dr. Matt , MS/HS Principal

Note from Clinic:

THE Nurse NOTE

Welcome Back!

We hope everyone had a happy, restful vacation and we look forward to providing care for the students and staff at BIS for another school year.

During orientation you will have received a Health Form and a Medication Consent form, please fill out, sign and return these forms as soon as possible. It is important for us to have the most up to date information in order to provide the safest care possible to your children. We appreciate your prompt attention to these forms. They can be returned to the homeroom, reception or to the clinic.

It is very important for students to always eat breakfast, even if it is something small: a banana, a piece of toast or an egg. Numerous studies have shown that eating breakfast fuels the brain and improves learning.

Reasons Why You Should Eat Breakfast Every Day

- Improves Concentration and Focus
- Helps Lift Your Mood
- Helps Manage Your Appetite
- Helps Your Heart
- Improves Academic Performance
- Aids in Weight Management
- Boosts Your Immune System

If you have any questions or concerns, do not hesitate to contact us.
