PowerSchool Learning (LMS)

<u>Handout</u>

PowerSchool Learning is a learning management and classroom collaboration solution that empowers teachers with real-time student interaction inside and outside the classroom, bringing in more social and collaborative learning. You can use the system to check weekly plan and homework too.

Sign in to PowerSchool Learning:

1. Sign in to your PowerSchool Learning Account. https://bis.learning.powerschool.com

	Sign in t	o Al-Bayan Internationa	l School
